Rebuilding Hope, Clayton Homes Continue Partnership in Service

Since September of 2021, Clayton Homes has been a vital partner with Rebuilding Hope in serving area communities. Together with the ministry, Clayton Homes employees from both the company's Oxford and Nashville plants have completed more than two dozen ramp and roof projects.

Clayton Homes' employees participate through the company's Volunteer Time Off program. The program offers employees eight hours of paid time when they volunteer to help meaningful causes in the communities where they live and work.

Nine volunteers from the company in July replaced the roof (above) at a home in Kittrell.

Fall Barbecue Chicken Fundraiser Set for Sept. 29

The RHI Fall Barbecue Chicken Dinner Fundraiser returns. The event is on the calendar for Friday, Sept. 29.

The \$8-a-plate dinners will be cooked and served from 11 a.m.-7 p.m. at 414 Raleigh Road, the location of RHI's offices and warehouse.

The familiar menu will include green beans, potatoes and dessert.

See Fundraiser, page 3

Volunteers at the 2022 Kids' Construction Camp help campers build their take-home project, a wooden crate. This year's project is a birdhouse.

Kids' Construction Camp Registration Underway

Only a few days remain to register for our Kids' Construction Camp from Aug. 7-9.

The camp, from 9 a.m.-noon each day at the Rebuilding Hope warehouse at 414 Raleigh Road, Henderson, is limited to 30 participants in third through sixth grades.

Campers will be given hands-on experiences with basic construction skills.

Campers rotate through stations such as Hammer & Nails, Electrical & Plumbing, Block Laying, Roof Shingles, Take-home Building Project and Bible Study.

The registration form is available at www.rebuildinghopeinc.org. Forms are also available at our office. There is no charge for the camp.

Gifts to Homeowners

Rebuilding Hope volunteer Billy Layton continues a ministry tradition of presenting a Bible to homeowners when projects are completed. A gift of a handmade wooden cross recently was added. The gifts (above) are presented to the Garrett family after the recent completion of a ramp at the home in Henderson.

Volunteers Needed for Small Repair Projects

While teams of Rebuilding Hope volunteers build wheelchair ramps and replace roofs, requests for smaller and simpler repairs can't be immediately answered. The solution is teams that can spend a few hours repairing a ramp, a stoop, stairs or a door.

The projects are perfect for a men's group or a youth group. Groups can provide a much needed service. A group need not be church-affiliated to help.

The goal is to provide two projects each month to groups in the four counties served by Rebuilding Hope, Vance, Granville, Franklin and Warren.

Rebuilding Hope will provide the tools and materials for each job.

Call 252-438-5132 or 252-425-5593 and let us answer your questions and get you started.

How to Bring a Group to RHI

RHI has a number of volunteer opportunities throughout the year and will work with you or your group (youth or adult) to not only meet the needs of homeowners, but also to meet the needs of your group in its effort to put its faith into action serving others. We provide job locations and materials for hands-on experience and will arrange for one-day projects or overnight accommodations can be arranged. E-mail us at rwilson@rebuildinghopeinc.org or call 252-438-5132 for more information or registration.

Equipment Available for Check-out

RHI has equipment – like the game trailer pictured below – that churches and groups may check out for use in their projects. Call the office at 252-438-5132 or Randolph's cell at 252-425-5593. Available equipment:

Game trailer – Outfitted with all kinds of games to

use in outreach.

Mobile kitchen – Snow cone, cotton candy and popcorn machines.

Building Wheelchair Ramps: Answers to Your Questions

Churches, do you have groups like the one pictured below who can lend a hand and help us build wheelchair ramps? Your participation would help reduce a backlog of more than 20 requests – and help us all reach our communities for Christ

Here are answers to some questions you might have:

What preparations are made before work begins? Before work begins, an RHI volunteer will visit the job site and assess the owner's physical and spiritual needs. The volunteer will take measurements and draw a plan. Job sites are different and custom plans are necessary.

What about materials and tools? RHI will gather the materials and deliver them to the job site and provide tools, as needed.

Are building permits required? RHI will obtain the required permits.

Who will supervise and be responsible for the work? An experienced RHI crew leader.

How long does building a ramp take? Depending on the ramp (e.g., straight ramp or ramp with a landing) and the number of crew members, it's a day to a day-and-a-half job.

Where are job sites located? In all the communities we serve, but every effort will be made to assign work in the vicinity of your church.

Can work be scheduled on Saturdays? Yes.

For more information? Call 252-438-5132.

If you can help, we'll put you in touch with Bill Overby of Enterprise Baptist Church, our team leader in Warren County. Or Steve Timberlake of Oxford Baptist Church, our team leader in Granville County. Or, in Vance County, team leaders Steve Lyles of Raleigh Road Baptist Church, Vann Wester of New Bethel Baptist Church, or Cliff McClanahan of Central Baptist Church. Or Perry Faulkner of Louisburg Baptist Church, our team leader in Franklin County.

Our Ongoing Needs

Prayer, Volunteers, Building Materials, Donations, Monthly Financial Support

RHI – Here to Help

To request help to build a wheelchair ramp or to make home repairs, visit our office where a volunteer will take your application. RHI does not take applications over the phone or make monetary awards. Depending on the type of work requested, RHI may require evidence of ownership of property. A landlord's permission for a wheelchair ramp is required.

While services are provided at no cost, donations from applicants are appreciated.

RHI Speakers Bureau

The Rebuilding Hope Speakers Bureau is off go a good start in 2023.

RHI volunteers in January spoke to four churches and a group of pastors in Franklin, Warren and Vance counties. If your church or organization would like to hear more about RHI and our mission in our communities, we can provide a speaker.

Call our office. We can coordinate a date and time for one of our volunteers to talk to you about our work and how you can participate.

Appliances Accepted

RHI accepts some used appliances that are in good working order. The appliances include washers and dryers, refrigerators and electric stoves. Appliances that require repairs used furniture, household goods and clothing cannot be accepted.

Appreciation

Thanks to all the churches, businesses and individuals who have supported and continue to support the Rebuilding Hope ministry. Without your support, meeting the needs of our communities would be impossible. Continue to pray for us as we reach our communities with the gospel of Jesus Christ.
