Repairing the paved area around the Rebuilding Hope office and warehouse is the goal of a fund-raising campaign.

### Fundraising Campaign Begun to Repair Pavement Around Rebuilding Hope

Rebuilding Hope has begun a campaign to raise up to \$100,000 to repair the paved area around the building at 414 Raleigh Road.

Wear and tear over the years have left the 35,190-square-foot area with potholes and bare of asphalt. The resurfacing is needed to prevent damage to vehicles and allow proper drainage away from the building.

The goal is sizable, but Rebuilding Hope serves a God who is boundless and has provided richly for the ministry for over 17 years.

Thank you for considering a donation to this much-needed project.

**Tax exempt donations may be made:**

Mailed to Rebuilding Hope, 141 Raleigh Road, Henderson, N.C. 27536, or

Central Baptist Church has used the Rebuilding Hope game trailer in several outreach programs.

Various games in the game trailer were enjoyed during a outreach program at Franklinton Baptist Church.

The game trailer even made its way to Raleigh for an outreach carnival sponsored by the Catholic Campus Ministry at N.C. State.

### Rebuilding Hope Game, Kitchen Trailers Ready for Outreach Programs

Churches and other organizations are invited to borrow the Rebuilding Hope game and kitchen trailers for outreach programs.

The game trailer is equipped with games for all ages and includes: duck pick up, parachute, hula hoops, pool noodles, nine square, corn hole, volleyball, badminton, football, soccer balls and goals, and knocker balls.

## Volunteers Needed for Small Repair Projects

While teams of Rebuilding Hope volunteers build wheelchair ramps and replace roofs, requests for smaller and simpler repairs can't be immediately answered. The solution is teams that can spend a few hours repairing a ramp, a stoop, stairs or a door.

The projects are perfect for a men's group or a youth group. Groups can provide a much needed service. A group need not be church-affiliated to help.

The goal is to provide two projects each month to groups in the four counties served by Rebuilding Hope, Vance, Granville, Franklin and Warren.

Rebuilding Hope will provide the tools and materials for each job.

Call 252-438-5132 or 252-425-5593 and let us answer your questions and get you started.

## How to Bring a Group to RHI

RHI has a number of volunteer opportunities throughout the year and will work with you or your group (youth or adult) to not only meet the needs of homeowners, but also to meet the needs of your group in its effort to put its faith into action serving others. We provide job locations and on experience and day projects or materials for hands-will arrange for one-day projects for more than one day. Overnight accommodations can be arranged. E-mail us at [rwilson@rebuildinghopeinc.org](mailto:rwilson@rebuildinghopeinc.org) or call 252-438-5132 for more information or registration.

## Building Wheelchair Ramps: Answers to Your Questions

Churches, do you have groups like the one pictured below who can lend a hand and help us build wheelchair ramps? Your participation would help reduce a backlog of more than 20 requests – and help us all reach our communities for Christ

Here are answers to some questions you might have:

**What preparations are made before work begins?** Before work begins, an RHI volunteer will visit the job site and assess the owner's physical and spiritual needs. The volunteer will take measurements and draw a plan. Job sites are different and custom plans are necessary.

**What about materials and tools?** RHI will gather the materials and deliver them to the job site and provide tools, as needed.

**Are building permits required?** RHI will obtain the required permits.

**Who will supervise and be responsible for the work?** An experienced RHI crew leader.

**How long does building a ramp take?** Depending on the ramp (e.g., straight ramp or ramp with a landing) and the number of crew members, it's a day to a day-and-a-half job.

**Where are job sites located?** In all the communities we serve, but every effort will be made to assign work in the vicinity of your church.

**Can work be scheduled on Saturdays?** Yes.

**For more information?** Call 252-438-5132.

If you can help, we'll put you in touch with Bill Overby of West End Baptist Church, our team leader for Warren County. Or Steve Timberlake of Oxford Baptist Church, our team leader in Granville County. Or, in Vance County, team leaders Steve Lyles of Raleigh Road Baptist Church, Vann Wester of New Bethel Baptist Church, or Cliff McClanahan of Central Baptist Church. Or Perry Faulkner of Louisburg Baptist Church, our team leader in Franklin County.

The Rebuilding Hope kitchen trailer and game trailers are available for outreach projects.

A landlord's permission for a wheelchair ramp is required.

While services are provided at no cost, donations from applicants are appreciated.

**Appliances Accepted**

RHI accepts some used appliances that are in good working order. The appliances include washers and dryers, refrigerators and electric stoves. Appliances that require repairs used furniture, household goods and clothing cannot be accepted.

**Appreciation**

Thanks to all the churches, businesses and individuals who have supported and continue to support the Rebuilding Hope ministry. Without your support, meeting the needs of our communities would be impossible. Continue to pray for us as we reach our communities with the gospel of Jesus Christ.
