Long-serving dump body finds third life on donated truck

A donated box truck and a long-serving dump truck body have found new life together at Rebuilding Hope.

Twelve years ago, the ministry purchased a truck with the dump body. When the motor blew up after six years, the ministry purchased another truck and put the dump body on it. The second truck, after another six years, needed replacing.

Meanwhile, Central Baptist Church planned to dispose of a box truck that was equipped with a stage bed. Instead of selling the truck, the church donated it to Rebuilding Hope.

Once volunteers using two forklifts removed the stage bed, the dump body found its next home on the chassis of the donated truck.

Side panels with the Rebuilding Hope logo were added.

Spring Barbecue Chicken Dinner Fundraiser Returns on April 26

The RHI Spring Barbecue Chicken Dinner Fundraiser returns. The event is back on the calendar for Friday, April 26.

The \$10-a-plate dinners will be cooked and served from 11 a.m.-7 p.m. at 414 Raleigh Road, the location of RHI's offices and warehouse. The familiar menu will include green beans, potatoes and dessert.

Volunteers will deliver orders for five or more plates. Call and place your order. Dinners may be picked up in the drive-through area or enjoyed in the RHI dining room.

Volunteers are needed both the day before and the day of the fundraiser. The day before, bread and desserts are bagged; cups are filled with barbecue sauce. On fundraiser day, helping hands are needed to fill plates and keep the serving line supplied.

PROJECT ROLL ON

Fund-raising Campaign Begun to Repair Pavement Around Rebuilding Hope

Rebuilding Hope has begun a campaign to raise up to \$100,000 to repair the paved area around the building at 414 Raleigh Road.

Wear and tear over the years have left the 35,190-square-foot area with potholes and bare of asphalt. The resurfacing is needed to prevent damage to vehicles and allow proper drainage away from the building.

The goal is sizable, but Rebuilding Hope serves a God who is boundless and has provided richly for the ministry for over 17 years.

Thank you for considering a donation to this much-needed project.

Tax exempt donations may be made:

Rebuilding Hope – Here to Help

To request help to build a wheelchair ramp or to make home repairs, visit our office where a volunteer will take your application. RHI does not take applications over the phone or make monetary awards.

Depending on the type of work requested, RHI may require evidence of ownership of property. A landlord's permission for a wheelchair ramp is required.

While services are provided at no cost, donations from applicants are appreciated.

RHI Speakers Bureau

If your church or organization would like to hear more about Rebuilding Hope and our mission in our communities, we can provide a speaker through our speakers bureau.

Volunteers Needed for Small Repair Projects

While teams of Rebuilding Hope volunteers build wheelchair ramps and replace roofs, requests for smaller and simpler repairs can't be immediately answered. The solution is teams that can spend a few hours repairing a ramp, a stoop, stairs or a door.

The projects are perfect for a men's group or a youth group. Groups can provide a much needed service. A group need not be church-affiliated to help.

The goal is to provide two projects each month to groups in the four counties served by Rebuilding Hope, Vance, Granville, Franklin and Warren.

Rebuilding Hope will provide the tools and materials for each job.

Call 252-438-5132 or 252-425-5593 and let us answer your questions and get you started.

How to Bring a Group to Rebuilding Hope

We provide materials for hands-will arrange for one-projects for more than one day. Overnight accommodations can be arranged. E-mail us at rwilson@rebuildinghopeinc.org or call 252-438-5132 for more information or registration.
