Walmart Distribution Center Partners with Rebuilding Hope

Walmart Distribution Center volunteers (pictured above) partnered in June with Rebuilding Hope to build a ramp in Henderson.

Under the company-wide Spark Good program, associates choose the non-profits with which to volunteer. The company then makes a donation to the non-profit based on the number of hours worked.

Servants on Site Week: New Roofs for Six Area Homes

Groups that numbered 85 youths and their leaders took part June 24-28 in Rebuilding Hope's 11th Servants on Site week. Another 100 local residents filled various roles, such as resupplying materials, supervising jobs, feeding the work teams and conducting praise and worship services.

The summer mission camp provides opportunities for teams to use home repairs to meet the physical needs of people in local communities. More importantly, they use the opportunities to share the gospel of Jesus Christ. Teams this year replaced six roofs in Vance, Warren and Granville counties.

The theme of the week, "Rest," was based on Psalm 62:5.

Happy 90th, Richard Rogers

Rebuilding Hope volunteer Richard Rogers (seated, left) celebrates his 90th birthday with fellow volunteers and friends Taurus Howard, Tom Hall, Ceci Wille, Larry Leach, Dave Burns, Laura Newton, Randolph Wilson, Gail Wilson, Scott MacLean, Patricia Howard, Philip Reams and Cliff McClanahan (seated, right). Richard turned 90 on June 14.

How to Bring a Group to Rebuilding Hope

RHI has a number of volunteer opportunities throughout the year and will work with you or your group (youth or adult) to not only meet the needs of homeowners, but also to meet the needs of your group in its effort to put its faith into action serving others. We provide job locations and on experience and day projects or meet the needs of effort to put its faith into action serving others. We provide materials for hands-on projects for more than one day. Overnight accommodations can be arranged. E-mail us at rwilson@rebuildinghopeinc.org or call 252-438-5132 for more information or registration.

Rebuilding Hope – Here to Help

To request help to build a wheelchair ramp or to make home repairs, visit our office where a volunteer will take your application. RHI does not take applications over the phone or make monetary awards. Depending on the type of work requested, RHI may require evidence of ownership of property. A landlord's permission for a wheelchair ramp is required.

While services are provided at no cost, donations from applicants are appreciated.

RHI Speakers Bureau

If your church or organization would like to hear more about Rebuilding Hope and our mission in our communities, we can provide a speaker through our speakers bureau.

Call our office. We can coordinate a date and time for one of our volunteers to talk to you about our work and how you can participate.

Building Wheelchair Ramps: Answers to Your Questions

Churches, businesses and others, do you have groups like the one pictured above who can lend a hand and help us build wheelchair ramps? Your participation would help us all reach our communities for Christ

Here are answers to some questions you might have:

What preparations are made before work begins? Before work begins, an RHI volunteer will visit the job site and assess the owner's physical and spiritual needs. The volunteer will take measurements and draw a plan. Job sites are different and custom plans are necessary.

What about materials and tools? RHI will gather the materials and deliver them to the job site and provide tools, as needed.

Are building permits required? RHI will obtain the required permits.

Who will supervise and be responsible for the work? An experienced RHI crew leader.

How long does building a ramp take? Depending on the ramp (e.g., straight ramp or ramp with a landing) and the number of crew members, it's a day to a day-and-a-half job.

Where are job sites located? In all the communities we serve, but every effort will be made to assign work in the vicinity of your church.

Can work be scheduled on Saturdays? Yes.

For more information? Call 252-438-5132.

If you can help, we'll put you in touch with **Bill Overby** of West End Baptist Church, our team leader for Warren County. Or **Steve Timberlake** of Oxford Baptist Church, our team leader in Granville County. Or in Vance County, team leaders **Steve Lyles** of Raleigh Road Baptist Church, **Vann Wester** of New Bethel Baptist Church, or **Cliff McClanahan** of Central Baptist Church. Or **Perry Faulkner** of Louisburg Baptist Church, our team leader in Franklin County.

Volunteers Needed for Small Repair Projects

While teams of Rebuilding Hope volunteers build wheelchair ramps and replace roofs, requests for smaller and simpler repairs can't be immediately answered. The solution is teams that can spend a few hours repairing a ramp, a stoop, stairs or a door.

The projects are perfect for a men's group or a youth group. Groups can provide a much needed service. A group need not be church-affiliated to help.

The goal is to provide two projects each month to groups in the four counties served by Rebuilding Hope, Vance, Granville, Franklin and Warren.

Rebuilding Hope will provide the tools and materials for each job.

Call 252-438-5132 or 252-425-5593 and let us answer your questions and get you started.

Equipment Available for Check-out

RHI has equipment – like the game trailer pictured below – that churches and groups may check out for use in their projects. Call the office at 252-438-5132 or Randolph's cell at 252-425-5593. Available equipment:

Game trailer – Outfitted with all kinds of games to use in outreach.

Mobile kitchen – Snow cone, cotton candy and popcorn machines.

2 tool trailers – Equipped with all tools needed to build a wheelchair ramp.

Appliances Accepted

RHI accepts some used appliances that are in good working order. The appliances include washers and dryers, refrigerators and electric stoves. Appliances that require repairs used furniture, household goods and clothing cannot be accepted.

PROJECT ROLL ON

Fund-raising Campaign Begun to Repair Pavement Around Rebuilding Hope

Rebuilding Hope has begun a campaign to raise up to \$100,000 to repair the paved area around the building at 414 Raleigh Road.

Wear and tear over the years have left the 35,190-square-foot area with potholes and bare of asphalt. The resurfacing is needed to prevent damage to vehicles and allow proper drainage away from the building.

The goal is sizable, but Rebuilding Hope serves a God who is boundless and has provided richly for the ministry for over 17 years.

Thank you for considering a donation to this much-needed project.

Tax exempt donations may be made:

Overnight accommodations and breakfast and supper were provided by Central Baptist Church, where praise and worship services were conducted each evening.

Lunch each day at job sites was provided by area churches, including West End Baptist, Gardner's Baptist, Mountain Creek Baptist, West Oxford Baptist, Oxford Baptist, Island Creek Baptist, North Henderson Baptist and Lake Gaston Baptist churches.

See SOS, Page 6

Praise and worship services each evening help campers understand the week’s theme, “Rest,” which is based on Psalm 62:5. The SOS song, printed below, is sung at each service.

Daniel Ritchie (center), a former pastor who was born without arms, was guest speaker at each worship service. He is pictured with SOS worship leader Bruce Beck (left) and Rebuilding Hope coordinator Randolph Wilson.

Servants on Site

Words and Music by Allen Mustian

The Lord has given us the city
 To live, to be, to move, to go
 Will we answer the call to serve them
 Meeting needs to make the Gospel known?

Chorus

To Rebuild Hope, To rebuild lives
 As Christ does the work, we lift His banner high
 This is our aim, to shout His name
 The greatness of our God, we proclaim,
 As servants on site

The Lord has blessed us with each other
 From near and far and in between
 To grow and serve our God together
 Challenging ourselves to meet the needs

As we serve one another, our sisters and brothers
 We take the good news to every home
 To hope in our Savior, Redeemer, and Maker
 We know He has called us to go.

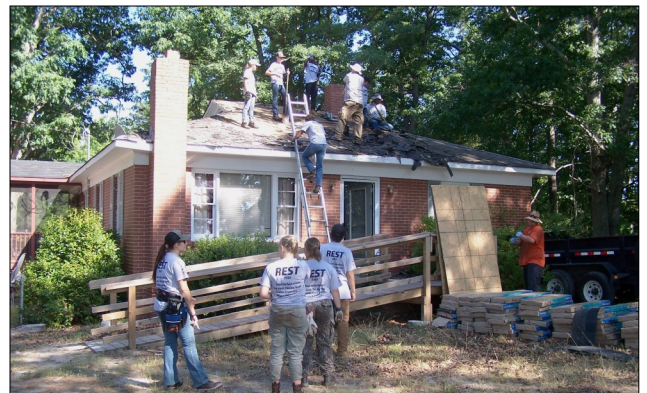

Allen Mustian is Lead Pastor at Central Baptist Church.

Servants on Site gather for instructions and prayer at the Departure Rally on the first day of work.

Servants on Site tackled six roof jobs during their week of work. Three were in Vance County and two in Warren County by the Jigsaw Jammers and Nail Gunners teams and one in Granville by the Fascia Fixers team. The job above by the Drip Edgers team is in the Deerfield Run area.

The job above, handled by the Shingle Slingers team, is in the Southerland Mill Road area of Vance County.

Two volunteers provided oversight of the jobs. Supervisors included Cliff McClanahan and Brian Fouts. Crew leaders included Brian Browning, Josiah Antill, Thomas Humphries, Eddie Hillyer, Tim Harris, Dennis Young, and Tim Gallencamp. Tom Wille served as floater from job to job, as needed.

A team of runners stood by to resupply job sites with materials. They were Richard Rogers, Larry Yates, Charles Granger, William Burnett, Doc Ayscue, Randy Hoyle, Jeff Strickland, Larry Leach and Steve Lyles.

Jesse Matthews served this year as videographer.

“Once again, we’re thankful for the young people, their leaders and the many volunteers who gave their time and talents to SOS week, as well as for everyone who contributed to this outreach,” says Rebuilding Hope coordinator Randolph Wilson. “The citizens we served in Jesus’ name certainly felt the love of Jesus through the mission of these young people.”

“Rebuilding Homes, Lives and Hearts” is the mission to which God has called us. With humble hearts, the ministry strives daily to be faithful to that calling.

The Ladder Leapers’ job is in the Finch Road area.

Appreciation

Thanks to all the churches, businesses and individuals who have supported and continue to support the Rebuilding Hope ministry. Without your support, meeting the needs of our communities would be impossible. Continue to pray for us as we reach our communities with the gospel of Jesus Christ.

“We look for programs that will help youth, elderly, and impact hunger,” Denise Yudovitz, distribution center general manager, said. “Rebuilding Hope is an opportunity for us to impact where our associates live and work and can be proud of their partnership with the community.”

The ramp project was the volunteers’ first with Rebuilding Hope.

Weekly Men’s Prayer Group

You’re invited to our weekly men’s prayer group on Thursdays at 7 a.m. A light breakfast is served. A full breakfast is served on the first Thursday. Join us for prayer and Christian fellowship.
